

IV THERAPY

Our IV Therapy service offers customized cocktails that are specifically formulated to meet your individual needs and restore balance to your body. Whether you are feeling run down, dehydrated, or simply looking for a boost, our expert team can create a blend of vitamins, minerals, and other nutrients to help you feel your best and achieve optimal health and wellness.

Some of our most popular IV offerings include:

- Radiance
- Immune Boost
- Purify
- Athlete Pro
- Skin Glow
- MitoPower
- Serenity
- Osteo-Integrity

IV WELLNESS THERAPY

Immune Boost

Help boost your immune system and alleviate cold and flu symptoms by using a powerful blend of vitamins, minerals, and antioxidants that are essential for overall health and wellness.

Athlete Pro

Designed to help athletes and fitness enthusiasts recover faster and more efficiently after intense workouts using a customized blend of vitamins, minerals, and amino acids.

Skin Glow

Whether you're looking to improve the appearance of fine lines and wrinkles, reduce the appearance of dark spots, or just give your skin an overall boost, our Skin Glow option is the perfect solution.

Osteo-Integrity

A customized mix of nutrients to help keep the integrity your bones fortified and supported.

NUTRIENT INFUSIONS

REGENERATIVE HEALTH

Exosome (Stem Cell) IV

Infusion of exosomes sourced using the highest quality control measures and safety. Included in your treatment is IV Nutrient Therapy to nourish your cells before administering exosomes.

Peptide Therapy

Small chains of amino acids to help your body heal, regenerate, and perform at its best. Available in oral and injectable options.

NAD+

This cutting-edge treatment delivers a powerful dose of nicotinamide adenine dinucleotide (NAD) directly into the bloodstream, promoting cellular repair and rejuvenation. Our NAD+ IV therapy leaves you feeling refreshed and revitalized, counteracting the cellular fatigue associated with stress, aging and chronic fatigue.

Intramuscular Injections

Intramuscular injection to the knee, shoulder, ankle, elbow, and/or wrist to promote healing and regeneration of your joints, allowing you to recover faster and get back to your daily routine.

Trigger Point Injections

This highly effective method manages pain caused by muscle knots and spasms through administration of an injection directly into the affected muscle. Trigger point injections are minimally invasive and can provide significant pain relief to those suffering from chronic pain.

VITAMIN INJECTIONS

Immune Boost

Our Immune Boost Injection contains high levels of Vitamin C to enhance the immune system and protect against infection.

Glutathione

This powerful antioxidant injection is designed to boost your immune system, increase energy levels, and improve overall health.

Beauty

This injection is packed with essential vitamins and minerals that promote healthy skin, hair, and nails. It can help reduce signs of aging, improve overall skin texture and tone, and boost collagen production for a more youthful appearance.
